

Researching

Monday

Animals

- Choose your favourite animal.
- Use any resources available to research your chosen animal.

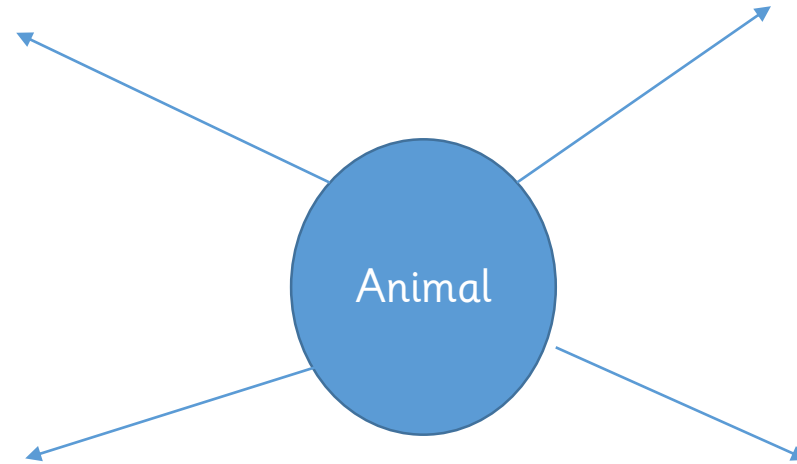

Headings

- Appearance
- Diet
- Habitat
- Fun fact

Task

- Create a mind map about your favourite animal. Think about the headings we will have been focusing on.

Diet and Habitat

Tuesday

Animal diets:

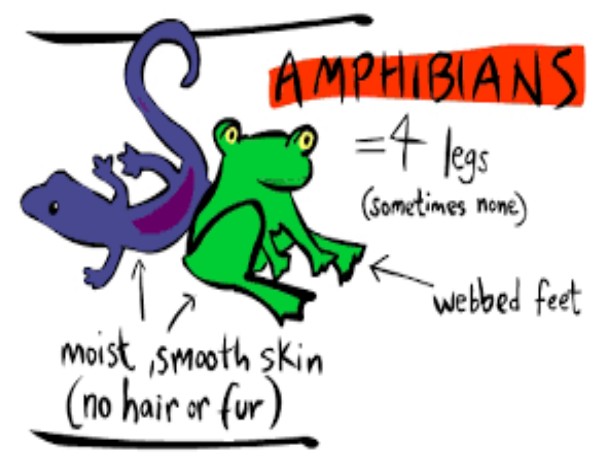

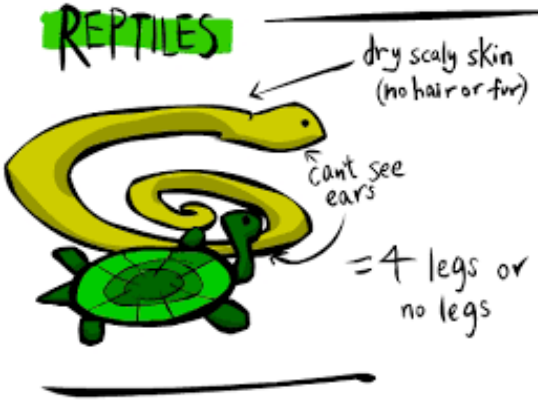

carnivore A carnivore eats meat.	herbivore A herbivore eats plants.
	
omnivore An omnivore eats both meat and plants.	
	

ANIMAL HABITATS

© 2014 Super 101

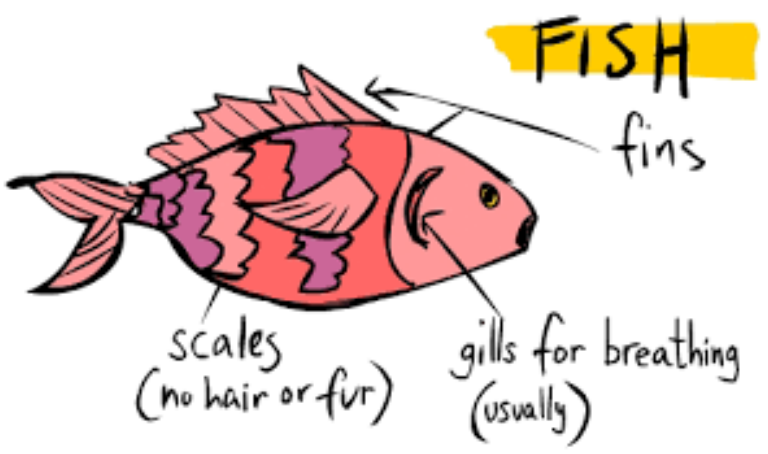

Task

- Use the mind map you created yesterday.
- Write your heading (diet) and then write sentences underneath.
- Repeat for the second heading (habitat).

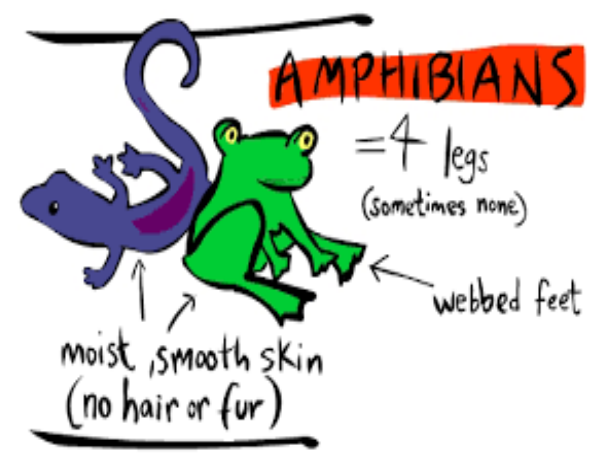

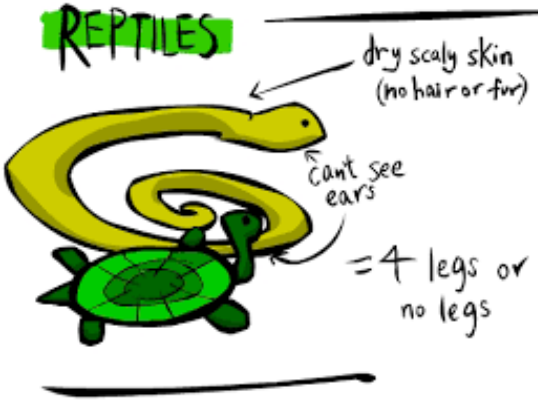

Appearance and Fun Fact

Wednesday

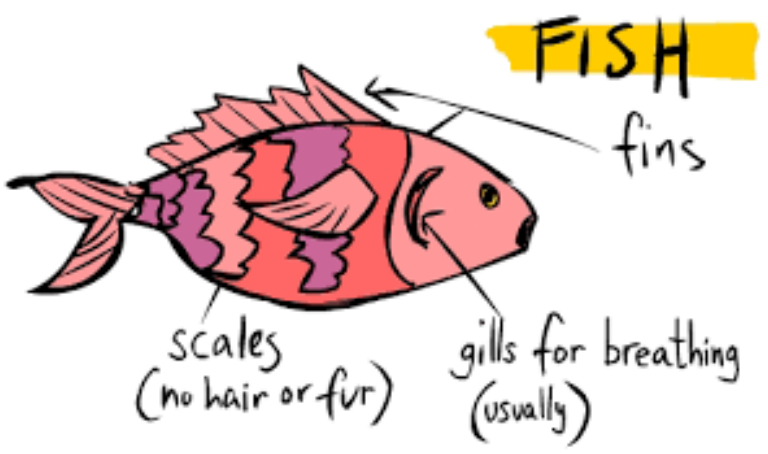

Task

- Use the mind map you created on Monday.
- Write your heading (appearance) and then write sentences underneath.
- Repeat for the second heading (fun fact).

Labelling

Thursday

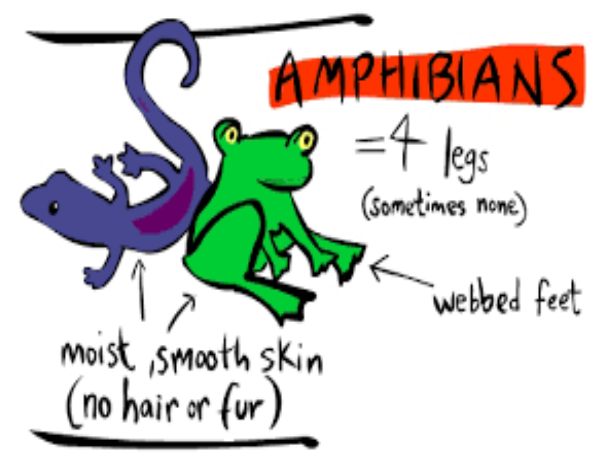

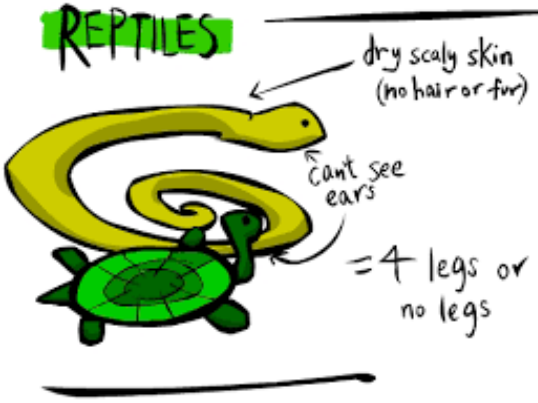

Task

- Draw a picture of your chosen animal.
- Label the key features. Try adding adjectives.

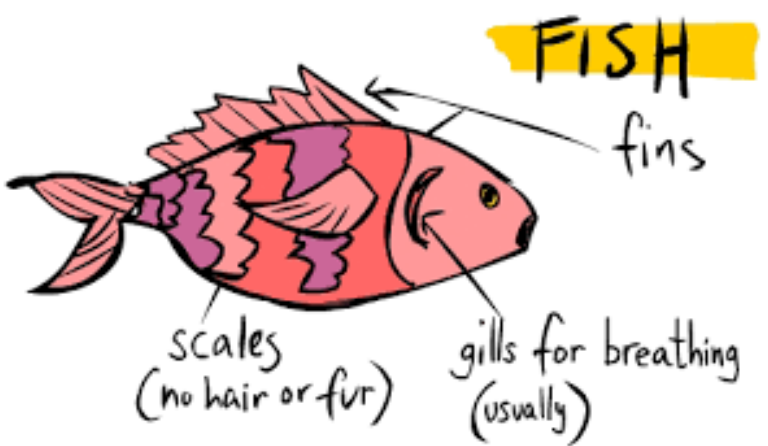

Remember:

- we always write left to right, even when we are labelling.
- Include your arrows to show what you are labelling.

Big Write

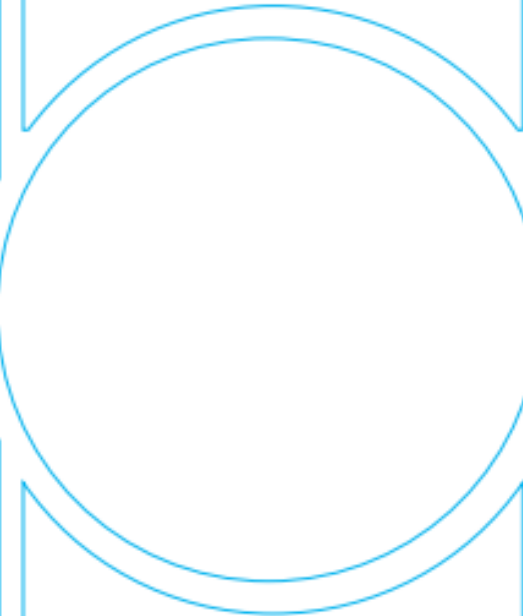

Friday

Task

- Using all of information gathered this week create a final fact file based on your animal.
- Remember our non-negotiables;
 - Adjectives
 - Capital letters
 - Full stops
 - Finger spaces
 - Title
 - Bullet points
 - And/ but/ because
 - Neat handwriting
 - Picture with labels
 - Headings

- Here's an example to help you get started.

Description _____ _____ _____ _____ _____ _____ _____ _____ _____ _____	Diet _____ _____ _____ _____ _____
Habitat _____ _____ _____ _____ _____ _____ _____	 Interesting fact: _____ _____ _____
