Topic Grid

We have created a 'Topic Grid' to cover the following areas: **PSHCE, Art**

Science, P.E and
Speaking & Listening.

The children choose one or more activities from the grid each day and upload pictures or videos once completed. These activities vary in difficulty and Dojo points are awarded accordingly.

Reading

The children are given an opportunity to read 'one to one' with an adult via Zoom.

We use 'Raintree Online' to support our reading offer.

The texts are tailored to match the individual reading levels of our children.

Independent tasks

Each day, our children are set independent tasks for 'Phonics', 'Writing' and 'Maths' on their Portfolio Page on Class Dojo. They are then given feedback on their work by the teachers.
